HECK

Susan Heck, and her husband Doug have been married for 42 years. Susan has been involved in Women's Ministries for about 38 years. This included teaching Bible Studies, counseling, and heading up Ladies with the Master women's ministry at Grace Community Church in Tulsa, Oklahoma. Susan is a certified counselor with the Association of Certified Biblical Counselors (biblicalcounseling.com). She is also the author of *With the Master* Bible study series for ladies, *A Call to Discipleship*, as well as *Putting-Off Life Dominating Sin*, *A Call to Scripture Memory* and *Assurance: Twenty Tests for God's Children*. Susan's teaching ministry is an outgrowth of her memorization work on the Bible. She has personally memorized 25 books of the New Testament word-for-word, Jude, Revelation, 1 book of the Old Testament (Jonah), and several other portions of Scripture. Susan Heck has two grown children, and seven grandchildren. Both children and their spouses are in full time ministry. Because of the enthusiastic ladies who attended the Bible Studies that Susan teaches, and because of the life changes, Susan has been invited to speak to a number of ladies groups, both nationally and internationally, on how they can launch a women's ministry in their church, as well as other various subjects.

I graduated from Seattle Pacific University with a degree in Vocal Performance and since then have been a vocal instructor and actively involved in ministry as a worship leader, vocal coach, soloist and pianist--both locally and around the world. Music has been a huge, life-giving part of my world as long as I can remember.

A few years after college I met and married my husband, Boomer. Early in our marriage, I began an intense battle with depression and a life-threatening illness that took us to the end of ourselves and into a deeper understanding of what it really means to live out the vows we spoke to each other the day we married. Through the years I have had the opportunity to share with others, through music, worship and testimony, about my struggle as a Christian woman in the grip of depression and the healing God can bring.

We have lived most of our married life in the Pacific Northwest, along with our son, Jake, who is one of the biggest joys of our life!
