

Guest Speaker

## Martha Lawley

Martha grew up in northern Wyoming in a small farming community. She accepted Christ as her Savior at the age of 9.

She moved to Waco, Texas to get her degree in Political Science then graduated with honors from the Baylor School of Law, beginning her legal career in Houston soon after. While there she met and married Roger Lawley.

She began to realize how little she really understood about church as described in the Bible. God used circumstances and His Word to impress upon her its importance as well as the significance of each believer's involvement.

Martha is the author of *Attending the Bride of Christ: Preparing For His Return*. She's a contributing author to several women's leadership books and has spoken at conferences and retreats nationwide. She serves as a Bible study leader and women's ministry team member, and leads a young adult small group with Roger.

She and Roger are parents to three children and have four wonderful grandchildren.
